

Broadfield Primary School
Accessibility Plan

Approved Date 22nd June 2017
Approved By Full Governing Body
Review Date June 2018

Rationale

Broadfield Primary School is committed to helping children and adults achieve more: The purpose of this accessibility plan is to show how Broadfield Primary School intends, over time, to increase the accessibility of our school for disabled pupils. Broadfield is committed to providing an environment that values all pupils and staff and visitors.

Definition of Disability

According to the Equality Act 2010, a person has a disability if:

- a) He or she has a physical or mental impairment.
- b) The impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

Legal Background

Under the Equality Act 2010 all schools must have an Accessibility Plan. The Equality Act 2010 replaced all existing equality legislation including the DDA. The effect of the laws is the same as in the past, meaning that 'Schools cannot lawfully discriminate against pupils because of sex, race, disability, religion or belief and sexual orientation'.

This plan has been drawn up based upon information supplied by the Local Authority, and in conjunction with pupils, parents, staff and governors of the school and will advise other school planning documents.

This Accessibility Plan sets out the proposals of the Governing Body of our school to increase access to education for disabled pupils in the three areas required by the planning duties in the DDA:

- a) Increasing the extent to which disabled pupils can participate in the school curriculum; which includes teaching and learning and the wider curriculum of the school, such as participation in after school clubs, leisure and cultural activities or school visits;
- b) Improving the environment of the school to increase the extent to which disabled pupils can take advantage of education and associated services;
- c) Improving the delivery to disabled pupils of information, which is provided in writing for pupils who are not disabled.

Documents and policies

The Accessibility Plan should be read in conjunction with the following school policies, strategies and documents:

- Teaching and Learning Policy
- Equality Duty
- Health and Safety Policy
- Special Educational Needs Policy
- School Mission Statement and Values
- Behaviour Policy
