## Sports Round Up

A big well done to our volleyball team who competed at Hathershaw on Tuesday 2nd April. The team played really well showing great teamwork and motivation throughout all games, resulting in them finishing in first place.

Congratulations to the tag rugby team who played at the finals on Thursday 4th April. The team had lost two players however; this didn't stop them from bringing the trophy home!

An awesome performance by the Broadfield netball girls, undefeated and only conceding 3 goals in 6 games winning the competition and showing great determination.

### The Easter Story

Many years ago, there was a man named Jesus. He went to Jerusalem to have a special meal called the Passover. Some people were happy to see him and some weren't. They started the Passover meal but before they ate, Jesus told his disciples that one of them will betray him. They said to themselves, "It isn't me, is it Jesus?" It was Judas who was going to betray Jesus. Judas betrayed Jesus just for money and he told the priests where Jesus was.

Jesus went to pray in the Garden of Gethsemane and he told his disciples to stay awake, but their eyelids grew heavier and they fell asleep, but Jesus saw his father and his father gave him strength and power.

The soldiers arrested him. Then, one of those standing near drew his sword cutting off his ear, but Jesus healed it and the soldiers believed that he was the Son of God. However, they still took him to Pontius Pilate. Pilate said there is no reason to kill Jesus but the crowd shouted, "Crucify him, kill him!"

Pontius Pilate washed his hands and handed him over to the soldiers. Jesus was forced to carry a heavy cross all the way up to the hill but he could barely carry it.

He was crucified with two robbers and he had a crown made out of thorns.

The insane sea is striking at the unstable ship making it even more unstable. The rain descends which makes the murderous sea rise. The lightning flashes and explodes in the dark, scary, sky. "How dare this day strike all its power on us to stop us from accomplishing our mission!" So the ghostly ship carries on sailing. Skull island is silent so is the ferocious castle. "Is that castle watching us coming to destroy it?" The undead have no right to fear.
