Learning

On April 4th, teachers from other schools in Oldham, came to look at learning in our Early Years and Year 1. They were very impressed with how well the children engaged with their learning, their willingness to confidently explain what they were doing and their overall independence. They have asked if they can come again. Well done everybody!

Easter

We finish school on Friday 12th April 2019. We return on Tuesday April 23rd at 8.50am, breakfast club will start at 8am as normal.

Broadfield 2-year old Nursery

We still have a small number of morning and afternoon spaces available for children who will be age 2 before 31st August 2019. Please speak to a member of the Office team for more information.

Pizza Friday

Starting next half term, all children who normally have a packed lunch are invited to enjoy Pizza Friday from Friday 26th April to Friday 24th May. This is a trial for these dates only with a possibility of it continuing.

All you need to do is come to the School Office and pay £10.50 in advance no later than 11th April which will allow your child a lunch each Friday between these dates only. You will still need to provide a packed lunch Monday to Thursday. For more information, please speak to the Office team.

Attendance

We are working really hard to improve our attendance as this was one of the areas that Ofsted said that we needed to improve when they came in November 2018. In January 2019, Ella wrote me a letter on behalf of the School Council suggesting the following ideas to improve attendance:

- All pupils who come into school for the whole week get 15 minutes choose time on a Friday and become part of the '100 club'.
- The class with the best attendance at the end of the half –term gets a Movie Popcorn Afternoon. However, the only children who can participate are the ones who have 98% and above attendance to make it fair.
- The children with 99- 100% attendance go on a trip to the cinema.

So how are we doing?

Hathershaw Cluster Netball Match Report

By Alison (Member of Broadfield Netball team)

The Competition took place on Tuesday March 2019. You might remember us wearing pale white t-shirts and dark blue skirts (we looked amazing). Anyway, in preparation, Mrs Jolley trained us every Wednesday afternoon and the girls and I would practice every break and dinner time independently.

When we arrived, we immediately started to warm up and practice. We practiced shots, foot work, passing... etc.

And it worked! Looking at the scores our hard work really paid off.

Over all, every single player played exceptionally well and all deserve the medals and certificates that they received. Well done to all the girls-they were the best team ever. I would play with them any time!
