

TABLES HOMEWORK

Name: _____ Class: _____

Dear Parent,

Your child should know the four times table by the end of Year 3. This will greatly help with their basic skills and with maths in general. Please help by practicing these with your child. Cover the answers and allow your child to check after each attempt. Sections A and B must be done and section C if possible.

Please return the sheet next week or before if your child can complete all sections.

Thank you.
