

Writing Activity 1

Story starter!

“Leave us alone! This is our home!” the animals all declared as one.

The humans didn’t seem to care...

Can you continue the story?

Think about your writing targets, try to include features that make your writing exciting to the reader.

For example:

- Expanded noun phrases

- Figurative language – show not tell sentences.
- Modal verbs to show possibility and certainty.
- Relative clauses – don't forget to use the correct punctuation.
- Parenthesis – remember to use the three different types of punctuation – brackets, commas and dashes.
- Passive voice
For example: The pizza was eaten BY MRS PEARSON. This is a passive sentence as the object (the pizza) is having the action (verb) done to it by the subject (Mrs Pearson). Remember BY ZOMBIES.
