

Year 3 and 4 Home Learning

Geography Week 2

Monday

We have been learning about the Oceans and Continents of The World.

We have also looked at where some of the seas are...

Learn where the major cities are... You can use an Atlas or map of the UK if you want... OR look at the labelled map (answers)... Then when you have learnt them, quiz yourself using the blank map... How many did you get right? - Check on the labelled map for the answers.

Map of Cities in the United Kingdom

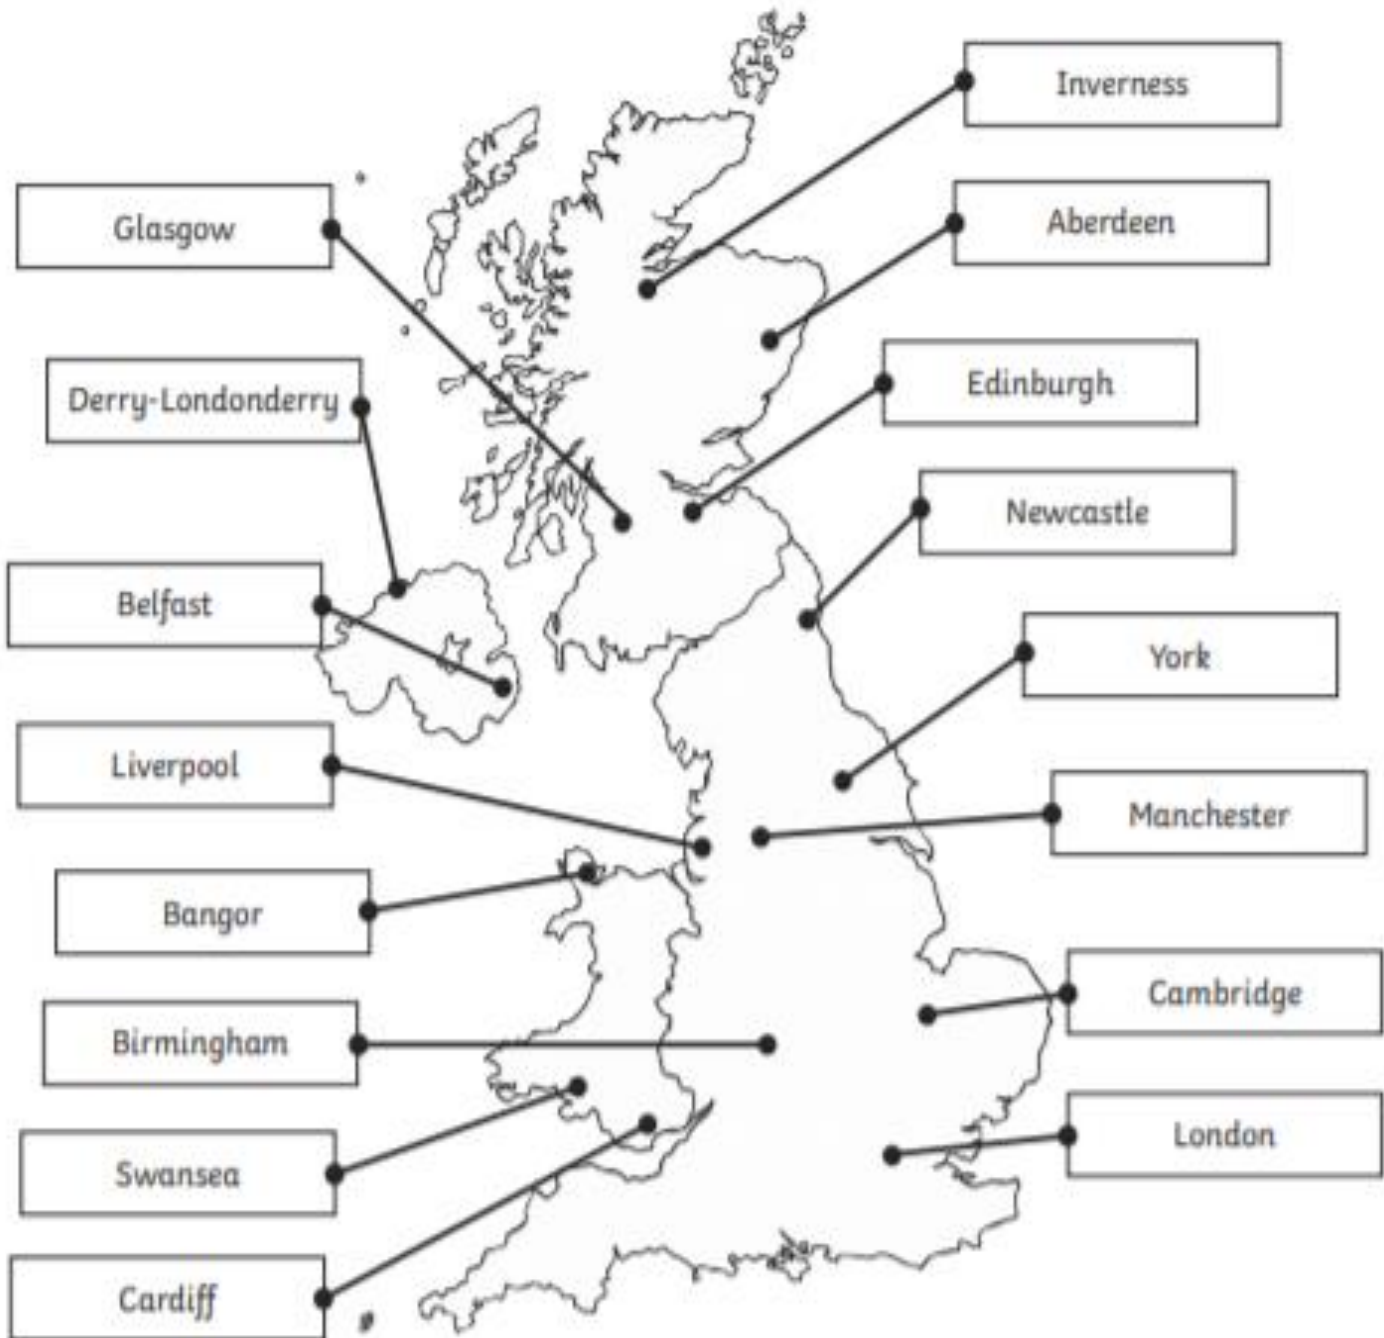

Can you locate these cities on your map? Don't forget to label with capital letters!

London	Cardiff	Edinburgh	Belfast	Cambridge	
York	Newcastle	Manchester	Birmingham	Glasgow	
Aberdeen	Swansea	Derry- Londonderry	Bangor	Inverness	Liverpool

Extension: Which of these cities has the largest population? Which has the smallest population? Use books and the internet to help you find the answer.

Answers

USE YOUR PURPLEMASH LOGIN..

Then

You should already know these... So use these games to help you learn / revise them.

Challenge yourself
