

LO: To complete a virtual tour of NASA

Today we are going on a virtual field trip to NASA

What is NASA?

NASA stands for National Aeronautics and Space Administration.

It is an American government agency that was created by Congress in 1958.

**NASA's** mission is to explore space and aeronautics, or flight research. **NASA** is also responsible for making sure that the United States space program is conducted for peaceful purposes that can help mankind.

Follow the link below and explore some of the virtual tours available.

<https://www.nasa.gov/glennvirtualtours>

Once you have looked at the tours complete one of the following tasks about your 'visit':

- Review the tours (what did you enjoy? Etc)
- Make a leaflet about NASA and what they do
- Create your own quiz about NASA
- Design a poster to promote NASA
- Make a model based on one of the aircrafts
