Newsletter

Issue 7

03 April 2020

Dear Parents,

This newsletter comes at the end of the second week of the enforced closure. As always, I do hope things are going okay at home and you are managing to support your child with their learning which can be accessed on our school website. The website is updated weekly, however, as we are starting the Easter holidays, I think that the children can spend some time doing fun activities. Our online learning will resume on Tuesday 14th April, the website will be updated with work for Week 3. If you have any difficulties logging in, please send an email to info@broadfield.oldham.sch.uk

I would like to thank all the parents and governors for their kind messages of support for our school community. Please stay safe during the Easter break.

Free School Meals

We have now ordered vouchers for those families who are entitled to Free School Meals. You should receive an e-mail each week during term time. You can then redeem the voucher at one of the supermarkets from the list on the e-mail. If you think that you are entitled to free meals but do not receive a voucher or for any other queries regarding vouchers please e-mail school info@broadfield.oldham.sch.uk

ParentPay and E-mail Addresses

We will soon be launching a new online payment and messaging service ParentPay. Parents will be able to pay for school meals and trips on line. Log in details will be sent out to parents after the Easter holidays. ParentPay requires us to hold one e-mail address for each household; thank you to those who have sent theirs into school so far. If you have not sent your e-mail address to us please e-mail it to info@broadfield.oldham.sch.uk so that you do not miss out on important school information.
