

Tuesday. To compare money amounts.

For this activity you have a variety of items which all cost different amounts.

These are the items and their cost.

					
toy car £22	building bricks £37	puppet £18	football £34	teddy £23	jigsaw £17

- 1) Add together the cost of the toys in each section and then using $<$, $>$ or $=$, to compare the amounts and show which is the most expensive.

Example: A teddy and a football $£23 + £34 = £57$	$>$	A toy car and a puppet $£22 + £18 = £40$
A toy car and a jigsaw		A football and a puppet
A box of building bricks and a teddy		A toy car and a football
2 toy cars and a box of building bricks		2 jigsaws and a football

- 2) Choose your own items and using the $<$, $>$ or $=$, compare the amounts.
