

Dino dictionary: Write these words in alphabetical order like you would find in a dictionary.

triceratops  
apatosaurus  
stegosaurus  
velociraptor  
pterodactyl  
brachiosaurus

## Writing task Menu

Our New Topic is Dinosaurs. Chose a writing task each day from the list. ENJOY!

You can also make up a new task of your own to share with the class when we return to school.

Story writing - Imagine that you found a dinosaur egg in your back garden. What would you do with it? Plan an exciting story by telling your parents or brothers and sisters what you are going to write. Then have a go at writing it. You could try to include lots of adjectives to describe them (see the word list attached). GOOD LUCK! I can't wait to read them all! Let's make a class book of DINO Stories to read to Reception children.

Create a DINOSAUR GLOSSARY!

Find out the meaning of these words and write an explanation of them.

Add some other words of your own that you have found during your research.

Herbivore

Carnivore

Omnivore

Predator

Prey

Prehistoric

Fossil

Look at the picture of the seed packet of 'How to grow a dinosaur'.

Think about which dinosaur you would like to grow.

Describe what your dinosaur would look like. What would they eat and where would they live?

Make your own Dinosaur Mini Booklet! Include some of the following and add your own pictures:

- When were dinosaurs on the Earth?
- When did they disappear?
- What did they eat?
- What did they look like?
- What is your favourite dinosaur?
- Invent your own dinosaur! Think about; what it eats, what it looks like, what colour it is and what it likes to do all day!
- Use headings and bullet points

Look at the picture of Alfie with his mum. He is getting ready to go into the garden and plant his dinosaur seeds.

Look in mum's basket and write a list of things Alfie is going to need to plant his seeds in the garden.

## English Tasks

Pretend you are Alfie planting your seeds in the garden.

Write a list of instructions about how to plant your seed.

Remember to use the words

First

Next

Then

After that

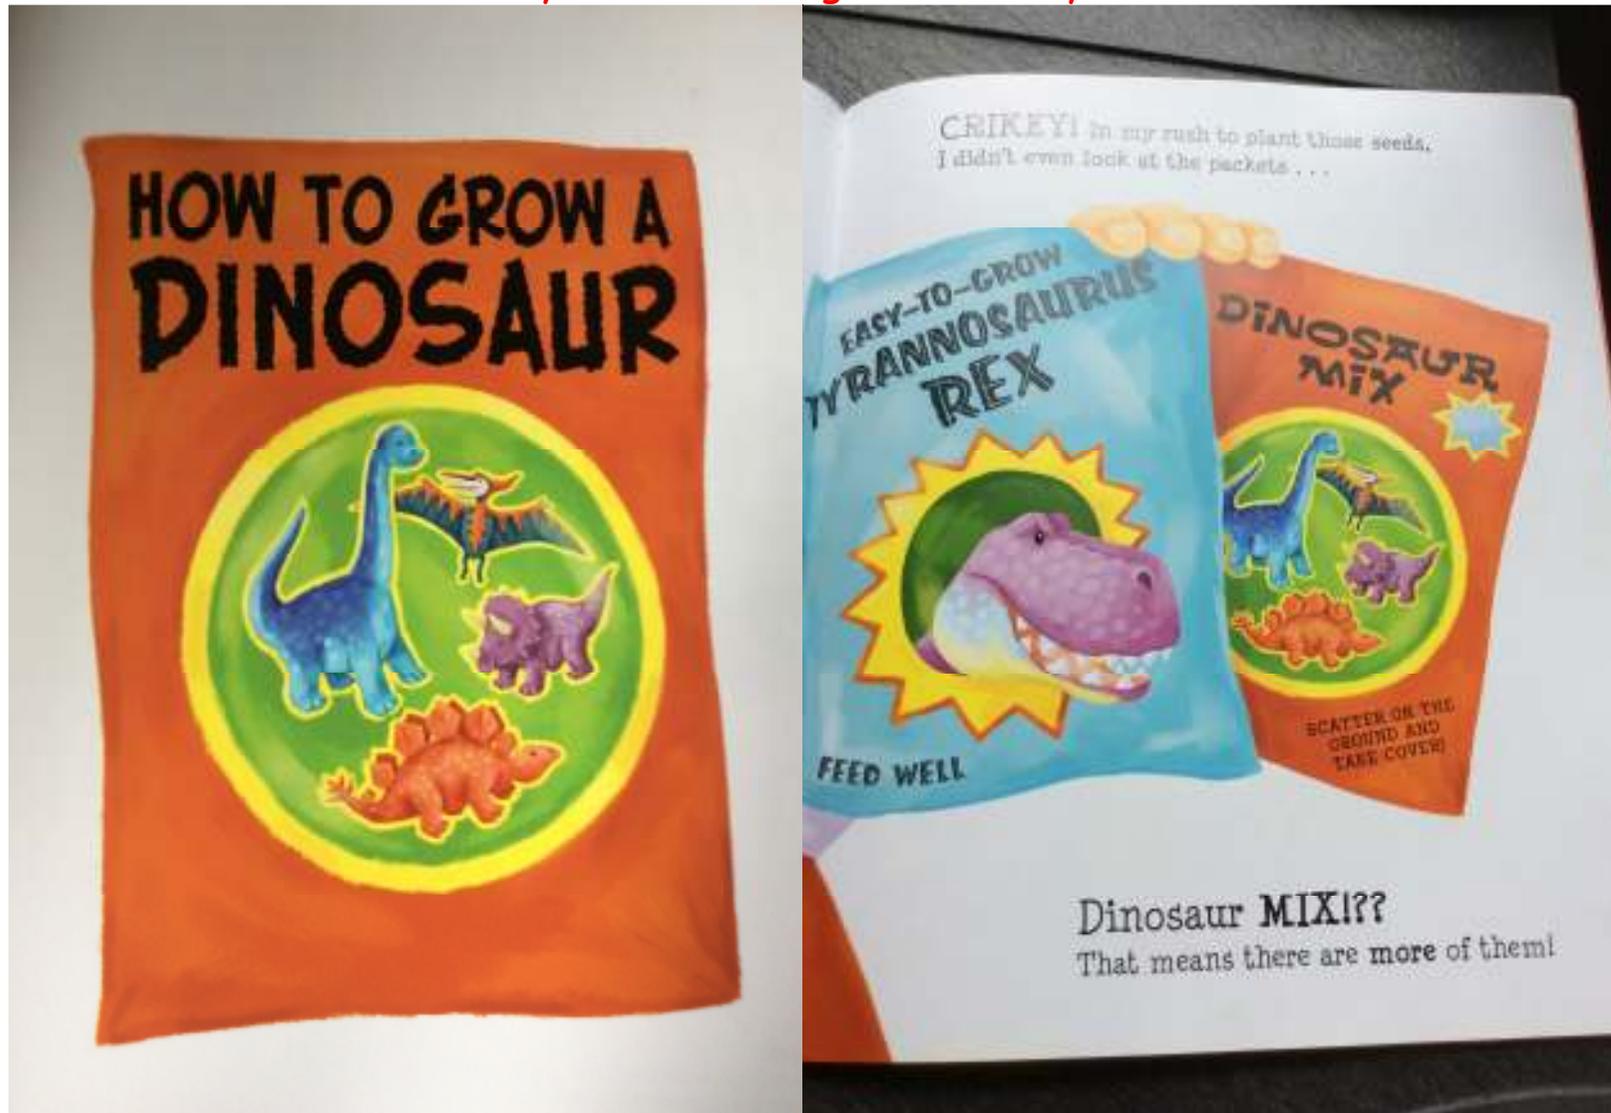

Finally

Look at the picture of Alfie in the garden with the dinosaur bones.

Which bones has he found?  
Write a list of the different bones.

Which dinosaur do the bones belong to?

Which dinosaur would you choose to grow and why? Look at the dinosaur sheet below

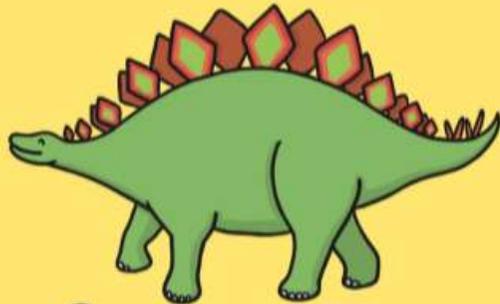

What will Alfie need to plant his seeds?

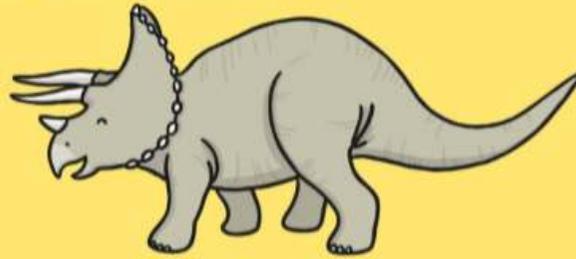

Which bones can you see? Which dinosaur do you think they are from?

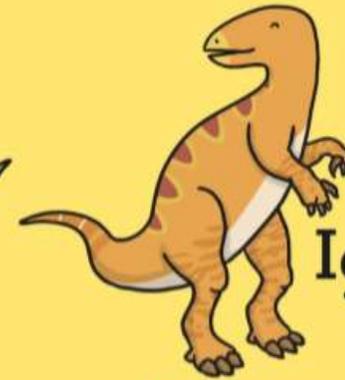

# Dinosaur Word Mat

Stegosaurus

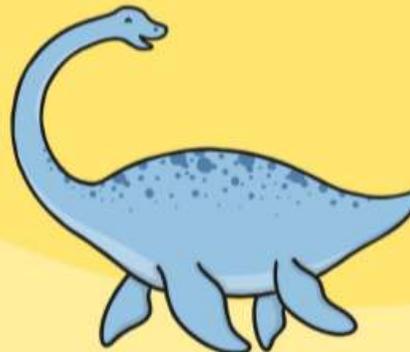

Triceratops

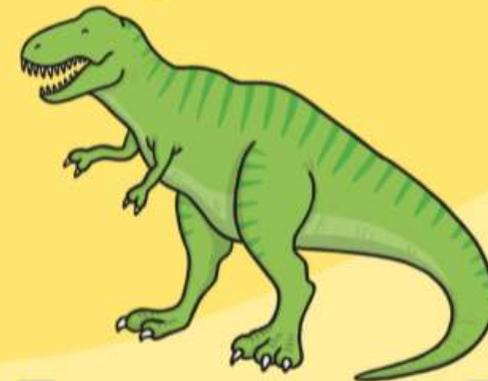

Iguanodon

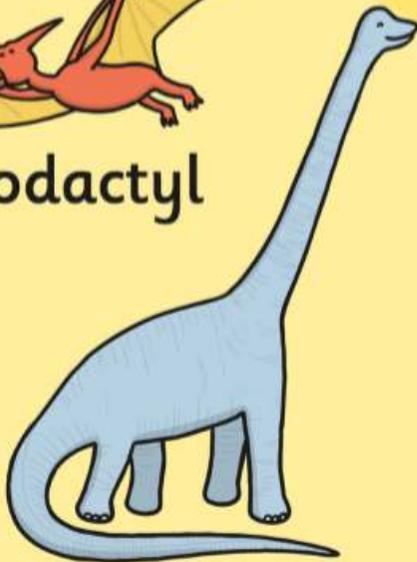

Pterodactyl

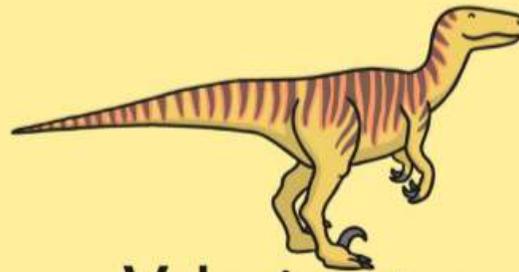

Plesiosaur

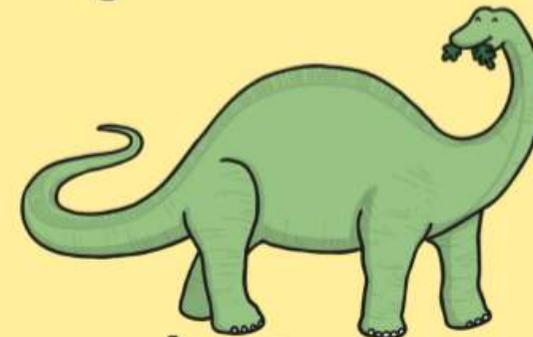

Tyrannosaurus Rex

Brachiosaurus

Velociraptor

Apatosaurus

## Dinosaur Adjectives

gigantic
