Field

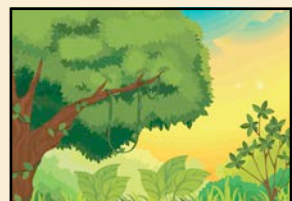

Arctic

Desert

Seaside

Forest

Name: _____ Date: _____

Choose which environment you think each animal would most like to live in.

Desert	Arctic	Ocean	Pond
Field	Seaside	Forest	Underground

Animal	Where they like to live	Best environment
Polar Bear 	Cold and icy areas near water so they can catch fish.	
Camel 	Hot and dry places.	
Sheep 	Places where there is plenty of grass for them to eat.	
Duck 	Partly on fresh (not salty) water but so they can go on land too.	
Crab 	Near salty water but so they can come onto land too. They like sand or rocky areas.	
Owl 	In holes high up in trees.	
Whale 	In salty water where there are lots of fish to eat.	
Worm 	Where they can burrow through soil where it is damp and cool.	
Monkey 	In trees where there are plenty of fruits to eat and where they can climb.	
Frog 	Partly on fresh (not salty) water but so they can go on land too.	
Cow 	Places where there is plenty of grass for them to eat.	

Name: _____ Date: _____

Choose which environment you think each animal would most like to live in and describe why you have chosen each one.

Desert	Arctic	Ocean	Pond
Field	Seaside	Forest	Underground

Animal	Best environment	Why?
Polar Bear 		
Camel 		
Sheep 		
Duck 		
Crab 		
Owl 		
Whale 		
Worm 		
Monkey 		
Frog 		
Cow

Animal name:

Where does this animal get its water from?

What does this animal eat?

Where does this animal live? Why?

What else does this animal need to survive?

Picture:

Tiger

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Elephant

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Giraffe

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Lion

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Monkey

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Gorilla

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Bear

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Panda

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Kangaroo

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Penguin

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Fox

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Owl

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Parrot

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Badger

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Frog

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Snake

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Crocodile

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Goat

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Cow

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Wolf

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Worm

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Spider

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Ant

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Bee

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Crab

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Whale

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Seal

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Duck

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Skunk

- What does this animal need to survive?
- What food does it eat?
- Where does it find shelter?

Lizard
