

# Eid Rhyme

Do you see a crescent moon? (3 times)  
(form a C with one hand, hold it up high,  
and sway it back and forth to the rhythm)

When you see a crescent moon we can celebrate Eid

We'll have a party with our friends

(alternately pat lap and clap, in rhythm)  
and celebrate Eid

We'll decorate the house with lights

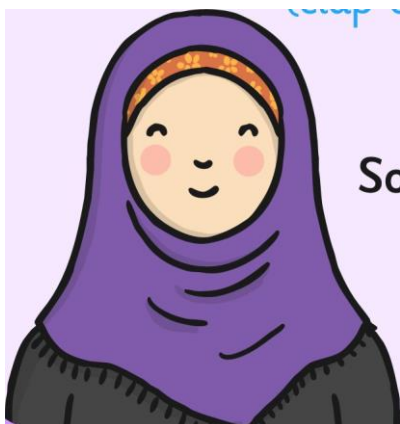

(Open left hand overhead, then right— repeat in rhythm)  
and celebrate Eid

We'll dress up in our new clothes

(hands pat lap, shoulders, head, shoulders - repeat to rhythm)  
and celebrate Eid

We'll eat special food together

(pretend to eat in rhythm)  
and celebrate Eid

We'll open up our  
presents (clap on "o",  
open hands on "up" -  
repeat) and celebrate Eid  
So do you see a crescent  
moon?

(repeat first verse motion)
