

# Common exception words

Use your Year 1 and Year 2 Common exception word mat in your learning pack to choose 5 spellings that you struggle to spell correctly. If you don't have the spelling mat then use the one attached.

Choose one of the activities below to practise learning how to spell those tricky common exception words.

Activity 2 - Create a spelling scribble, fill the spaces with the common exceptions words that you chose.

Activity 3 – Draw a picture, hide your words in different parts of the picture. Ask a family member to find your words. How many did they find? Did you need to help them?
