

Dear Parents and Carers,

I continue to be impressed with the number of parents that are emailing their children's work into school, please keep it up as much of this work is now displayed on our school website – please take a look. If your child is struggling to access the work on the website because of the following reasons please let us know:

I have no computer device (laptop/iPad)

I have no internet connection

I have a device but this is shared between family members

If this does apply to you, please contact the school office.

Some of our children have been doing some amazing art work in school which they are really proud of.

VE Day

Tomorrow, (May 8th) is a very special day as it marks the 75th anniversary of Victory in Europe Day. The date on which World War Two came to an end in Europe.

In normal circumstances, people would be celebrating with street parties and special events. However, please try to observe a special two minutes' silence at 11am.

Survey

At Broadfield, we recognise and value the partnership with parents and carers as it helps us to achieve the very best for your child. Attached with this newsletter, is a survey which we would like you to complete, please email your completed survey to school. We look forward to hearing from you.
