What are fact families?

Watch this video from [White Rose Maths](#) all about creating a fact family.

$$17 = 7 + 10$$

$$7 + 10 = 17$$

$$17 = \square + 7$$

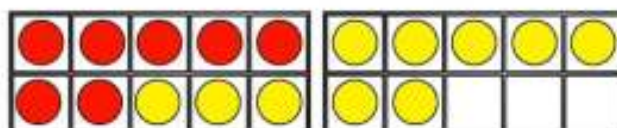

$$\square + \square = 17$$

$$17 - 7 = \square$$

$$\square = 17 - 10$$

$$17 - \square = \square$$

$$\square = \square - \square$$

I am thinking of you all every day!
