Dear Parent/Guardian,

As a parent or caregiver, your involvement in your child's learning and school is valuable and important. This survey asks for your opinions about what we as a school do to get you involved in your child's education. Your individual responses, which will hopefully help us to improve connections with parents and families, will remain confidential.

For each statement below, please check one answer that most closely matches your opinion on your child's school this current year. I would greatly appreciate it if you could take the time to fill it out.

To answer the following questions, please put a tick in the box which best applies to you.

	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree

The following questions require a short comment.

What activities/opportunities would you like to see offered at school for you to attend that are not already offered?

If you do not attend activities organised by school, what is it that stops you? Is there anything we could do as a school to help?

Thank you for your time and continued support!

Yours sincerely,

All staff at Broadfield
