

Thursday

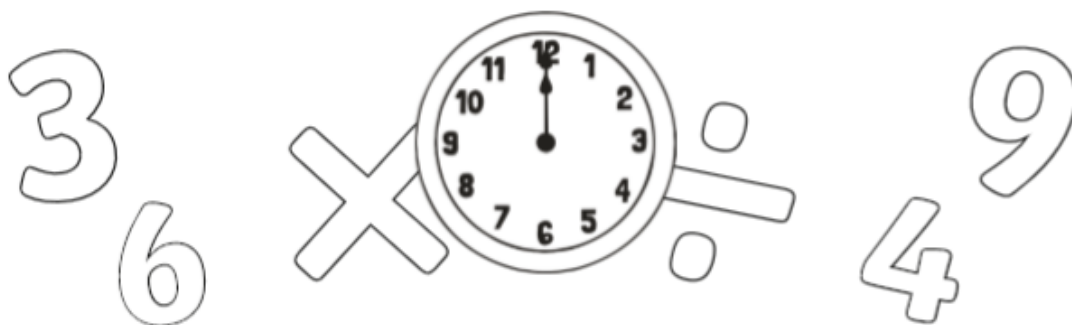

Hello lovely Willow Class.

Today I would like you practise your times tables! By the end of year 2 you should know your 2, 5, and 10 times tables and their division facts. So you should know that $2 \times 3 = 6$ and that $6 \div 2 = 3$. You should also be able to count in 3s. In Year 3 there will be more tables to learn so it is really important that you can do this easily by the time that you get to year 3. Practice these every day whilst school is closed and it will really help you!

Don't forget to keep going on TT Rockstars!

Times Tables Speed Tests

You have 1 minute to complete as many questions as you can in each test. After the time is up, check your answers with your helper. Try to improve your score each time you do a test.

$3 \times 2 =$	<input type="text"/>
$4 \times 5 =$	<input type="text"/>
$30 \div 5 =$	<input type="text"/>
$24 \div 2 =$	<input type="text"/>
$12 \times 10 =$	<input type="text"/>
$6 \times 2 =$	<input type="text"/>
$20 \div 10 =$	<input type="text"/>
$2 \times 2 =$	<input type="text"/>
$5 \div 5 =$	<input type="text"/>
$10 \times 10 =$	<input type="text"/>

Score:

$6 \times 2 =$	<input type="text"/>
$10 \times 5 =$	<input type="text"/>
$55 \div 5 =$	<input type="text"/>
$8 \div 2 =$	<input type="text"/>
$8 \times 10 =$	<input type="text"/>
$10 \times 2 =$	<input type="text"/>
$10 \div 10 =$	<input type="text"/>
$8 \times 2 =$	<input type="text"/>
$25 \div 5 =$	<input type="text"/>
$0 \times 10 =$	<input type="text"/>

Score:

$3 \times 5 =$	<input type="text"/>
$4 \times 10 =$	<input type="text"/>
$30 \div 10 =$	<input type="text"/>
$25 \div 5 =$	<input type="text"/>
$12 \times 5 =$	<input type="text"/>
$6 \times 5 =$	<input type="text"/>
$100 \div 10 =$	<input type="text"/>
$3 \times 2 =$	<input type="text"/>
$10 \div 5 =$	<input type="text"/>
$2 \times 10 =$	<input type="text"/>
