

Tuesday

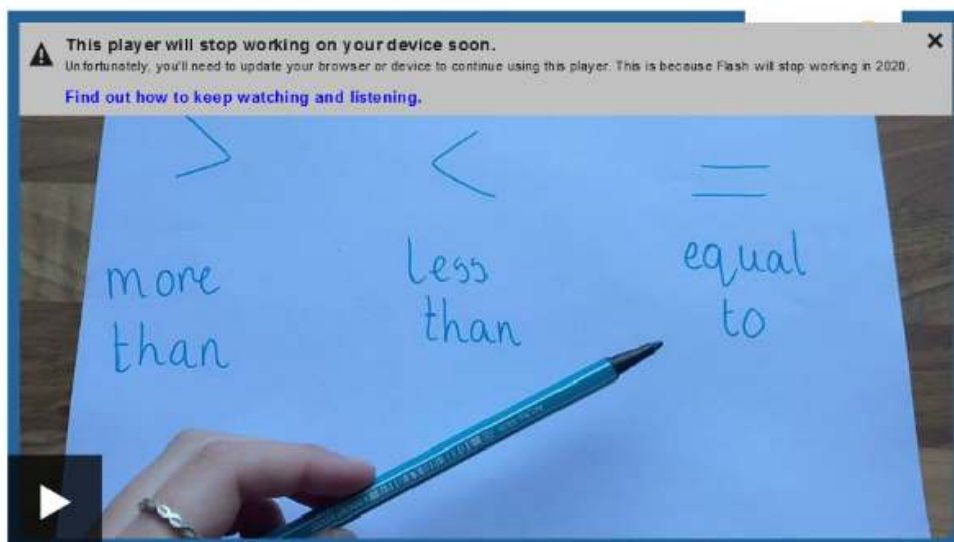

Today you will be looking at comparing number sentences.

Go onto

<https://www.bbc.co.uk/bitesize/articles/z7fg>

Learn

Watch Katie as she uses her knowledge of adding and subtracting to complete the number sentences before comparing them. Ask an adult to get you some objects to help you count, such as buttons, fruit pieces or building blocks.

[cqt](#) and watch the video.

Once you have watched it, you can complete the activities underneath the video 😊

Have fun with your number sentences 😊
