

Week Beginning 08.06.2020 Writing Year 5 and 6.

This week we are going to be focusing on PSHE; reflecting on our relationships during lockdown. We will look at ourselves, relationships with the people we have been locked down with and what our aspirations and dreams are for the future.

Monday

Work through the PowerPoint. Who is the man in the picture? What do you know about him? Why might he be relevant in today's society?

Click on the link and listen to his famous speech, you might need to listen to it more than once and you might want to make notes.

Complete the slide that recaps figurative language.

Tuesday

Think about your dreams and aspirations for the future. Where would you like to be in ten years' time, twenty years' time, what would you like the world to be like in the future?

Have a go at trying to write your own stanza (verse) including some figurative language. It would be nice if you could email some of your work to school info@broadfield.oldham.sch.uk

Wednesday

Use the worksheets to think about your time in lockdown. You can fill in the sheets or use the sheets to copy from to create your own gratitude and worry jars.

Sheet 1 - think about what you have learnt about yourself so far in lockdown.

Sheet 2 - Complete the worry jar with any worries or fears that you may have about lockdown.

Sheet 3 - Complete the gratitude jar with things that you are thankful for.

Friday

SPECIAL PEOPLE: Following on from yesterday we are going to think about people who we haven't been able to see such as grandparents, aunties and uncles and our relationships with them.

Look at the PowerPoint, Think of five different ideas that would help you keep in touch with those members of your family and friends. Use one of your ideas to let them know you are thinking about them and why they are special to you. It could be a letter, a postcard, a card, a poem or anything you think they would like.
