

## Week Beginning 22.06.2020 Writing Year 5 and 6.

This week we are going to be focusing on *GEOGRAPHY*; we are going to be thinking about 'Our Neighbours' across the world and comparing and contrasting them with the UK. This week we are going to continue to focus on different continents

### Monday

Using the template provided we would like you to research the continent of North America. Use different sources to find out the facts you need to create a fact file for this continent. As a comparison we would also like to find out how North America as a continent has been affected by Coronavirus, for example, how many people have contracted the virus? How many have recovered/died from it? Which country in this continent has been the worst affected? Why might this be?

### Tuesday

Using the template provided we would like you to research the continent of South America. Use different sources to find out the facts you need to create a fact file for this continent. As a comparison we would also like to find out how as a continent, South America has been affected by Coronavirus, for example, how many people have contracted the virus? How many have recovered/died from it? Which country in this continent has been the worst affected? Why might this be?

### Wednesday

Today we are going to look at the features of a persuasive text using what a good one looks like (WAGOLL).

Use the information box to help you annotate the text about Adrenaline Towers. Remember to think about your learning and do the task according to your ability, bronze, silver or gold.

### Thursday

Today you are going to plan your persuasive text. Use the instructions/structure/plan that is labelled THURSDAY/FRIDAY PLAN.

### Friday

Today you are going to continue to plan your persuasive text. Use the instructions/structure/plan that is labelled THURSDAY/FRIDAY PLAN.
