

LO: To identify physical and human geographical features of the United Kingdom

Rivers in the UK

In your books find and name six rivers from any of the countries in Great Britain. For each river you find, also name which countries it is in and which sea it runs to.

Draw this table in your book

Physical feature	Human feature

Find the answers to the following questions and write the question and answer on the correct side of the table (physical or human feature).

- 1) How many people lived in the UK in 2011?
- 2) Which country has the most mountainous terrain in the UK?
- 3) Where are the highest average salaries in the UK?
- 4) Do cattle tend to be in drier or wetter regions? Why?
- 5) Which country has the least mountainous terrain in the UK?
- 6) What is the highest point in Great Britain?
- 7) How many people were classed as another ethnicity in the 2011 census?
- 8) Where are the majority of the key natural resources in the UK?
- 9) What is the longest river in the UK?
- 10) What Oceans/seas surround the UK?
