

Internet Safety

The impact of COVID-19 has meant that all of our learning is now on our Broadfield website. This means that our children are spending more time online. Online learning delivers huge benefits and gives us the opportunity to stay connected to family and friends during this period. However, it is really important that as far as possible, you try to keep your child safe on line.

Parental controls help you to block or filter upsetting or inappropriate content, and control purchases within apps. You can install parental control software on your child's and family's phones or tablets, games consoles, laptops and your home internet.

Parental controls can help you to:

- plan what time of day your child can go online and how long for
- create content filters to block apps that may have inappropriate content
- manage the content different family members can see.

Home internet providers can offer parental controls for your child. You can:

- use a filter from your internet provider to control the content that you and your family see.
- set up any device connected to your home broadband. How you do this depends on your provider and you'll need to access your home router. For support call our experts from the O2 NSPCC Advice Line on 0808 800 5002.
- make sure your child uses the internet through WiFi instead of through 3G, 4G or 5G. Otherwise parental controls won't work.

Summer Reading Challenge

The 2020 Summer Reading Challenge celebrates all things silly and they have got loads of crazy events for you to enjoy. The launch day with Oldham Libraries will see a Silly Squad Facebook takeover, with silly storytelling, crazy crafts - including Supertato Potato Craft - and the launch of their Silly Stories Writing Competition. Summer Reading Challenge is free to play and recommended for ages 4-11 years. Please log onto our school website to find out more information or log onto "<https://summerreadingchallenge.org.uk/>

Hand Sanitiser – Health and Safety

Please could we ask that children do not bring hand sanitiser into school.

Hand sanitiser can be harmful to children if over used or if swallowed. We do not want any children to use it without staff supervision. Hand santiser is available in school should it be necessary to use under supervision, however we have established excellent handwashing routines so that children should not need to use it.

Thank you for your co-operation.

Happy birthday to the following children who have and will be celebrating their birthday from

June 1st -22nd.

Sanya	Ibrahim	Aamer
Aaron	Yahya	Muhammad
Aroush	Elizabeth	Mohiuddin
Jia Cheng	Imaan	Chanisa
Abdul-Rehman	Haleema	Belin
Meerab	Anaayah	Azeem
Nevaeh	Eiliyah	Mohammad Mikaeel
Khizar	Lawi	Stephen
Wisdom	Umayah	Muhammad

Broadfield Primary School

Awards

'Together We Can Achieve'

Pupil of the Week

Acorns	Abdul
Nursery	Faith
Reception 1	Eiliyah
Reception 2	Luqman
Larch	Mohammad
Beech	Maryam
Maple	Faizan
Chestnut	Rayhaan
