

Thursday

Today you have 2 slideshows and 2 activities to complete. I am hoping you will enjoy this!!

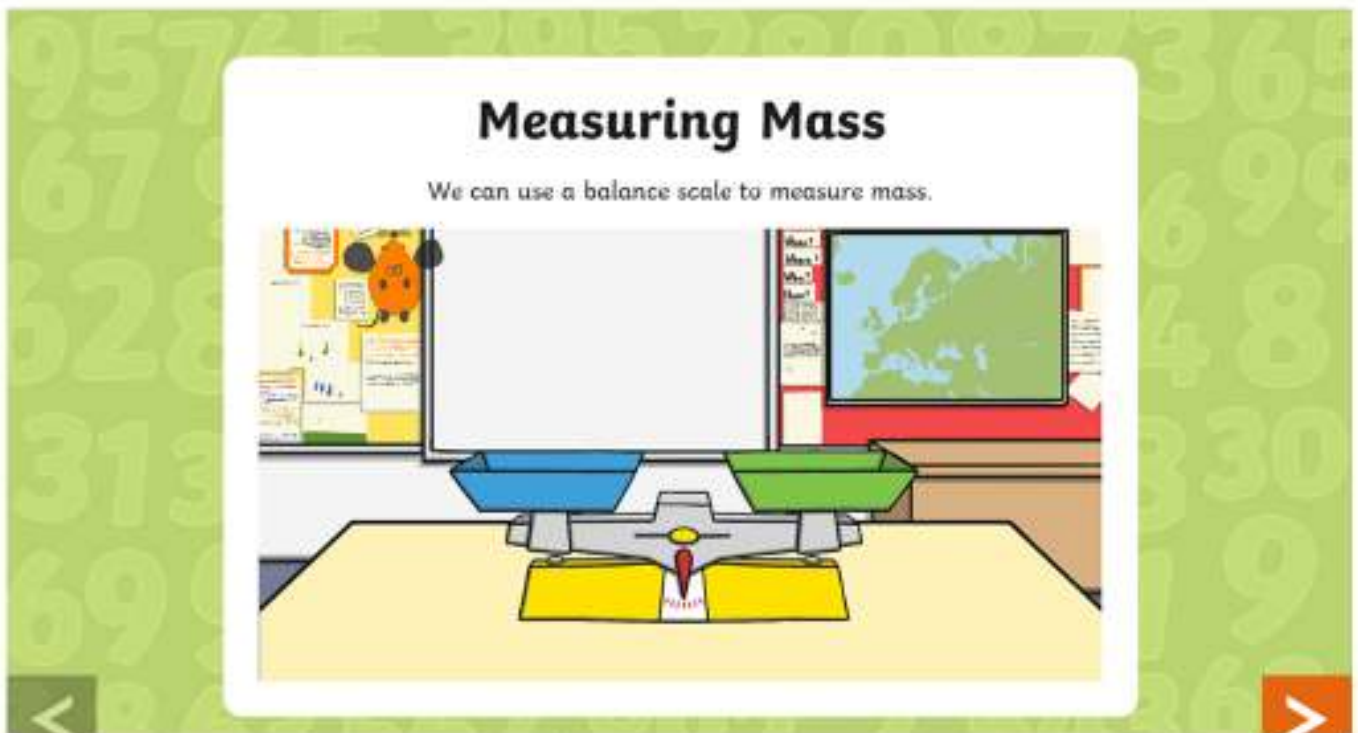

Click this link. <https://www.bbc.co.uk/bitesize/articles/zdtq2sg>

The page will look like this

## Learn

Begin by taking a look at the slideshow to help you understand how to measure with non-standard units of measurements.

A balance scale has been set up in the classroom to compare the weights of different objects. Click through the slideshow to see how to balance the objects.

Remember if you want to play games click this link for Karate Cats.

<https://www.bbc.co.uk/games/embed/karate-cats->

I am thinking of you all every day!

Lots of love,

Mrs Despard x
