

Tuesday

Today we will be revising adding 2 digit numbers.

Log onto BBC BITESIZE daily lessons using the link below...

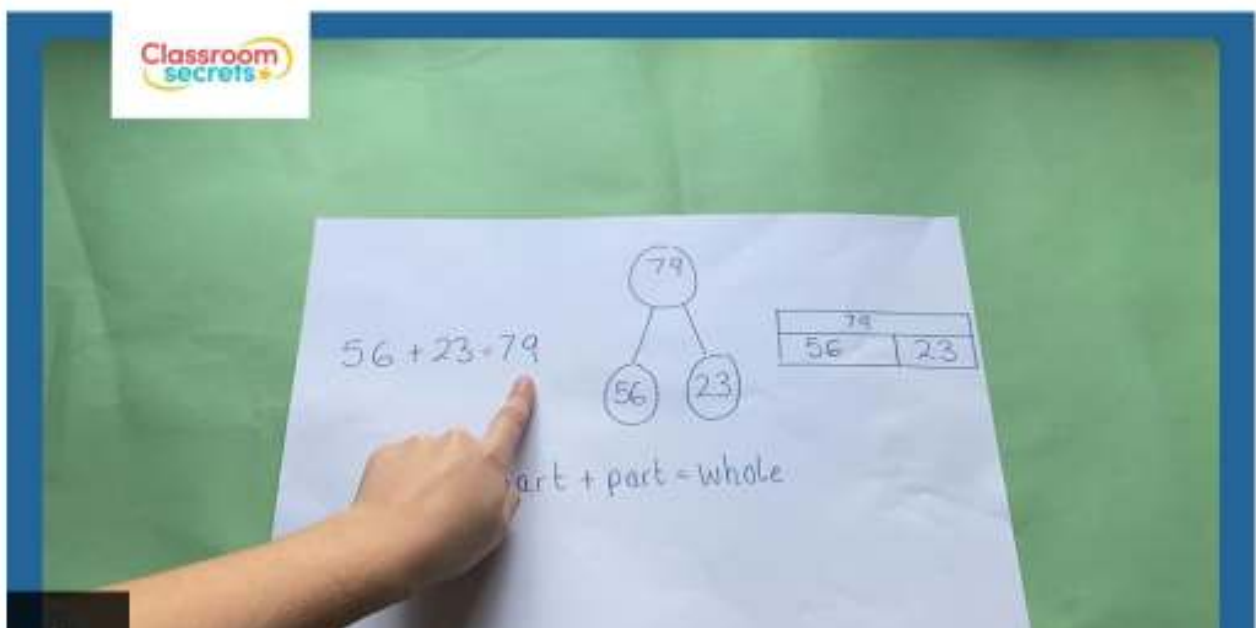

<https://www.bbc.co.uk/bitesize/articles/zvxxt39>

The page for todays lesson will look like this

## Learn

Watch Katie from Classroom Secrets Kids demonstrate how to add two-digit numbers together.

Why not try using some items you have at home to represent tens and ones and do your own calculations?

After you have watched the video, have a go at the tasks below it!

You might want to watch the video again to help you if you get stuck!

Good Luck!

Miss Thirsk
