3. Choose either a country you have been to or one you would like to visit. Find out about their currency and present what you have found in a creative and interesting way. Things you could think about include:
  - What coins and notes do they have?
  - Are their notes made of paper or plastic?
  - What images feature on their notes?
  - What is the current exchange rate?
  - If you had £100, how much of their currency could you exchange it for?
