

Wednesday

Today we will be revising subtracting 2 digit numbers.

Log onto BBC BITESIZE daily lessons using the link below...

<https://www.bbc.co.uk/bitesize/articles/zrnfvk7>

The page for today's lesson will look like this

## Learn

### Subtracting two-digit numbers

Watch this video from [Classroom Secrets Kids](#) that demonstrates how to subtract two-digit numbers.

Why not try using some items you have at home to represent tens and ones and do your own calculations?

After you have watched the video, have a go at the tasks below it!

You might want to watch the video again to help you if you get stuck!

Good Luck
