### Art (Egyptian) Week 8

Friday

#### LO To design an Egyptian mask

1. Take a look at the Egyptian masks. Create your own using these ideas.
2. Use pencil (lightly) to draw the outline of you mask. If you want it symmetrical (to match on both sides) then fold your paper in half and do half the mask then cut it.

3. Use pencil first (lightly) to put your lines in where colours will change. - do an outline of your patterns.
4. When you are happy with the outline carefully colour it. Use any media you want - crayon, pencil crayon, paint?
