Watch the clip again and make notes.

Add any information that you missed onto your notes.

You are going to write an explanation in words..

'Why did the Romans build walls?' - **TITLE? OR THINK OF A DIFFERENT ONE.** Hadrian's Wall and the Antonine Wall are more than just walls. They are defensive structures with a series of forts along them, built when it was thought that the Roman invasion of Caledonia was costing too much. The walls contained stones with Latin inscriptions telling us who built them.

Write it in your book or on paper (if your book is full)
