Rainbow Collage

Art in the Natural World

Go on a scavenger hunt to collect the colours of the rainbow from your natural environment and create a rainbow collage from what you have found.

Shadow Tracing

Art in the Natural World

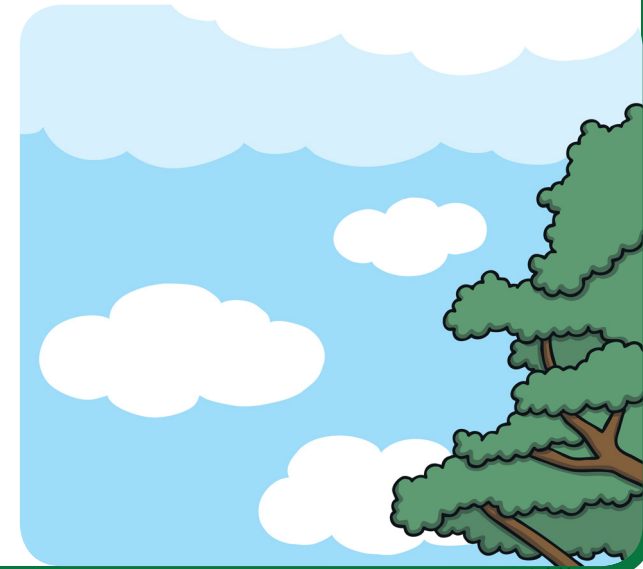

Choose your favourite small toy, get some plain paper and trace the shadows created by your toy on the paper.

Cloud Painting

Art in the Natural World

Look up at the sky and paint the different shapes of the clouds you can see. This will create a calming piece of artwork.

Rock Painting

Art in the Natural World

Gather some rocks and use paints or felt-tip pens to decorate them. Make them as bright and colourful as you can. You can use the rocks to create a beautiful rock garden.

Flower Printing

Art in the Natural World

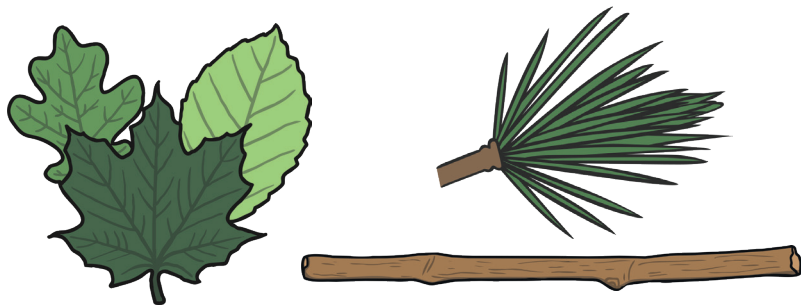

Gather the heads of different flowers from your local environment and dip them in paint or ink. Print the heads onto paper to create a lovely piece of art.

Natural Paintbrushes

Art in the Natural World

Create your own set of paintbrushes using nature. Go on a nature hunt and gather different flowers, leaves and twigs. Try painting with them to see what effects they create.

Salt Dough Printing

Art in the Natural World

Gather different materials from nature and press these into salt dough or clay to create an imprint. If you heat the salt dough, you can then paint it and create nice jewellery.
