

Paws, claws & whiskers

CHESTER ZOO

As Chester Zoo is now going to open from the 15th June why not organise a trip with your family to see and learn about all the different and fascinating animals that live there. You could record a diary of your visit with photographs and write about what you learned and the names of your favourite animals. If you can't visit the zoo, try a virtual visit instead. See below for details.

CLICK ON THIS LINK

<https://www.chesterzoo.org/virtual-zoo-2/> where you can see and learn about some fascinating zoo animals from the comfort of your home. Write down some interesting facts, or create a diary/mini book to share what you saw and learned on your virtual day at Chester zoo.

Locate on a world map or Google Earth where some of your most favourite animals come from. What type of weather would you experience in each location?

Follow instructions to make a bird feeder for your garden.
<https://www.rspb.org.uk/fun-and-learning/for-kids/games-and-activities/activities/>
Then watch every day for the bird visitors. Can you draw and name them all?

Make a scrapbook all about your pet. If you don't have a pet, make a scrapbook about your dream pet or a pet belonging to someone you know.

What animal is your pet? What type and breed of animal is it? What is the pet's name? Describe and draw what it looks like.

Add your favourite photographs. Write down what you love about your pet.

What interesting things does your pet do? What does it need to stay healthy?

Welcome to our new topic for this term - 'Paws, claws and whiskers'. Choose the activities listed to complete or make up your own! Remember to keep sending in pictures of your learning because we really enjoy looking at all the fantastic work you are completing at home! Keep safe and hopefully see you all soon! 😊

Make a mini book or poster displaying the names of these animals in French or a foreign language of your choice!

- cat
- dog
- rabbit
- frog
- sheep
- bear
- cheetah
- monkey
- fox

Make some animal crafts using paper plates and materials you have at home. Look at the pictures for some ideas or think of your own!

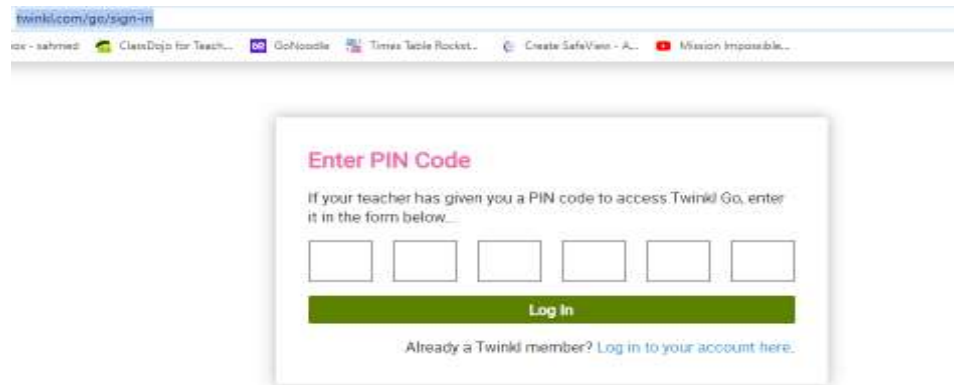

Twinkl Go instructions

1. Click on this link which will take you to the sign in page.

<https://www.twinkl.com/go/sign-in>

2. Enter pin code: **QU9075** then click log in.

The screenshot shows a web browser window with the address bar displaying 'twinkl.com/go/sign-in'. The page content includes a heading 'Enter PIN Code' and a sub-heading 'If your teacher has given you a PIN code to access Twinkl Go, enter it in the form below...'. Below this is a row of six empty input boxes for the PIN code. A green 'Log In' button is positioned below the boxes. At the bottom, there is a link: 'Already a Twinkl member? Log in to your account here.'

3. Now you can have a go at the different dinosaur activities. When you have finished, click on 'back to lessons' which will let you browse through the whole section. You could choose some audio books to read or some games to play. Have fun!
