

Unit 3 Home Learning Week 9

Tuesday - Writing

This week you are going to write a holiday brochure to persuade Miss Hanley's family to go on holiday to Egypt.

Miss Hanley loves animals and wants to deep sea dive, as well as take in the sites of Egypt. She has a 6-year-old daughter who will want to do activities.

Yesterday you described:

- 1. What the weather is like in Egypt – use this as a subtitle or 'When is best to go to Egypt?'**
- 2. Why you would want to go there. – Use this as a subtitle or 'Why Egypt?'**

Edit yesterday's writing. Try to get an older person to help you so your grammar is correct and your writing is formal.

Write this onto your finished version. ON the next few pages there are some ideas on how you can set it out. Fold the piece of paper in half and make a leaflet or use 2 A4 pieces to make a front, 2 middles and a back page. Or think of your own way of doing it.

You can draw pictures or cut and stick! – you can use pictures that we have got on home learning work already or your own. I will add some more pictures tomorrow and Thursday.

Don't forget if you do something wrong, just cut a version you are happy with, over the top of your wrong version so you don't waste time and paper.

These are questions that someone might ask if their friend has been to Egypt.
They might help you with your brochure

questions to describe what your holiday was like.

How did you get to Egypt and what was your journey like?

Which town or towns did you visit while you were there?

Which sites from ancient Egypt did you visit and what were they like?

What else did you do on your holiday?

What was the weather like?

Which was your favourite part of your holiday and why?

How many points out of ten would you give your Egypt holiday and why?
