Challenge

Put these events in the order in which they happened in the story, numbering them from 1 to 5. The first one has been done for you.

The twins filled every available space with sweets.

Jess compared their situation to stories she was familiar with.

Joe hurried over to the chest of drawers to search for the missing sweets.

Once again, the box produced more sweets than the twins and Frisk could eat.

Worried that Joe was going to waste another wish, Jess snatched the box from his hands.
