

If your child or any member of the household has any of the following symptoms, the whole family should isolate and phone 119 to book a COVID-19 test. Please do not come to school. This is really important as we need to protect our children, community and staff.

Symptoms:

- Continuous cough
- High Temperature
- Loss of sense of taste and/or smell

As Oldham continues to be in local lockdown, please can we continue to maintain 2 metre distance as far as possible and wear a face covering when dropping off and collecting children.

Determination

Sehar has returned to school with a really positive attitude, putting 100% into everything. She has been determined to get her name on the newsletter. Well done she has finally made it!

Road Safety climate change

Did you know that over 70% of our pollution is produced by road traffic?

As a Broadfield community, please can we start to think about how we can create a healthier environment around school.

Remember, cycling, scootering and walking has many health and environmental benefits.

Half - term

We finish school on Friday 23rd October for our half- term holiday. School will re-open on Monday 2nd November at 8.50am. Breakfast club will start from 8.00am.

Hathershaw Sports Cluster
