

Half term

Today, we finish for the holidays. Thanks for the continued partnership – letting us know promptly about children’s illnesses, waiting for tests etc. This helps us keep on top of health and wellbeing.

I hope that your child has been able to continue with their learning if they have been sent home. If you haven’t already done so, please can you complete the Remote Learning survey that you have been sent via email.

If your child is tested positive during the half-term break, please can you contact school on the out of hours number: 07776661836

I hope that you all have a restful holiday. School reopens on Monday 2nd November at 8.50am.

Farewell

Sadly, we say goodbye to Miss Forster who is leaving Broadfield today after four years. Her contribution, enthusiasm and commitment to P.E and sports has been greatly appreciated. We wish her every success and happiness in her new endeavours.

Swimming

One of the most exciting learning experiences in Year 3 is learning to swim. I am pleased to say that after half-term, children in Maple class will be resuming their swimming lessons. This I am sure, will enhance their physical health and wellbeing. Please ensure that your child comes to school in their P.E kit on the day that they go swimming.

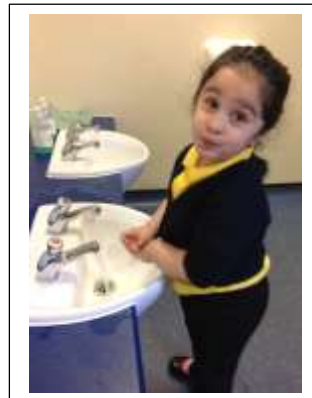

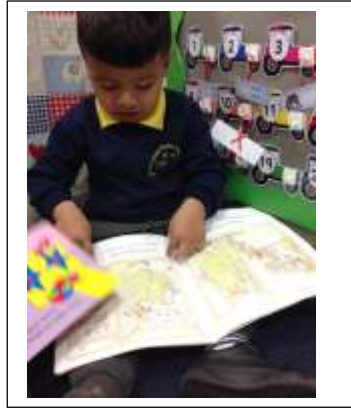

Pupil of the Week winners from Woodlands

The following are some of the children from Woodlands who have been awarded Pupil of the Week this term from Woodlands.

Learning in the Early Years

We are really pleased with how well the children in Acorns have settled into their daily routines. Thanks to the parents and carers for their support during this half term. The children have been learning how to play appropriately in the different areas – outdoors and indoors.

Independent Learning

Fiza has had an excellent half term. She has displayed a positive attitude to learning in all areas of the curriculum. Recently, she has completed some amazing independent learning on the solar system at home. She should also be congratulated for her biography about Rosa Parks.

We love writing

As part of their topic on Identity, children in Chestnut wrote the following poems:

The British - A Recipe

Take some happiness, joy and friendship,
And let them care,
Then overrun them with harmony,
Remove COVID-19 straight away!
Add lots of hot chocolate with marshmallows on
top to some poor people on the street,
Add some cookies then stir happily.
Mix some kindness and show it.
Love with some hugs,
Leave the ingredients to simmer,
As they mix and blend allow non- stop sharing,
Allow time to be together,
Serve with beautiful music.
And enjoy
By Mahteen

The British – A Recipe

Take some happiness, some love and caring,
And let them chill,
Then cover them with inspiration,
Erase COVID straight away (permanently
delete)!
Add lots of hot chocolate to some homeless
people then stir peacefully
Mix some hot sunshine, cool waves with a
pinch of kindness.
Leave the ingredients to simmer.
As they mix and blend allow it to come
together.
Allow time to be together.
Serve with homemade chocolate chip biscuits.
And enjoy
By Safa

Who was Rosa Parks?

Rosa Parks was born on 4th February 1913. Her mum was a teacher while her dad was a carpenter. Rosa lived on the farm with her dear grandparents and grew up there. Rosa Parks lived when life was hard for black people. They each had to go their separate ways they had to go to separate restaurants, public toilets, schools and churches but Rosa did not like it that way.

One day, after a busy day at work, Rosa went on a busy bus but she sat in a white person's seat and a white person came on the bus and told Rosa to move but guess what... she said 'no'. The bus driver called the police and she was arrested.

After she was arrested, other black people wanted to help so they stopped using buses and the bus drivers started to lose lots of money. The bus drivers complained to the government and the government had to change the law. Rosa began to work for the Civil Rights Movement. While she was alive she saw lots of changes for the better.

Rosa Parks is the first civil right women. Sadly, she died on 24th October 2005 over 30,000 people came to her funeral! She is still remembered today for the part she played in promoting equality.

Broadfield Primary School

Awards

'Together We Can Achieve'

Pupil of the Week

Reception 1	Muhammad
Reception 2	Azeemah
Year 1 Larch	Ibrahim
Y1/2 Beech	Beech class
