

ACCESSING NUMBOTS

We have a trial of this Maths game 'Numbots' please can you have a go at it and let your teacher know what you think. If it helps us with our Maths, then we might purchase it for school, BUT if it isn't very good, then we won't. Please help. Thanks Miss Hanley

1. Go onto the internet and type in 'Numbots'

2. Click on the green arrowhead when you get this page...

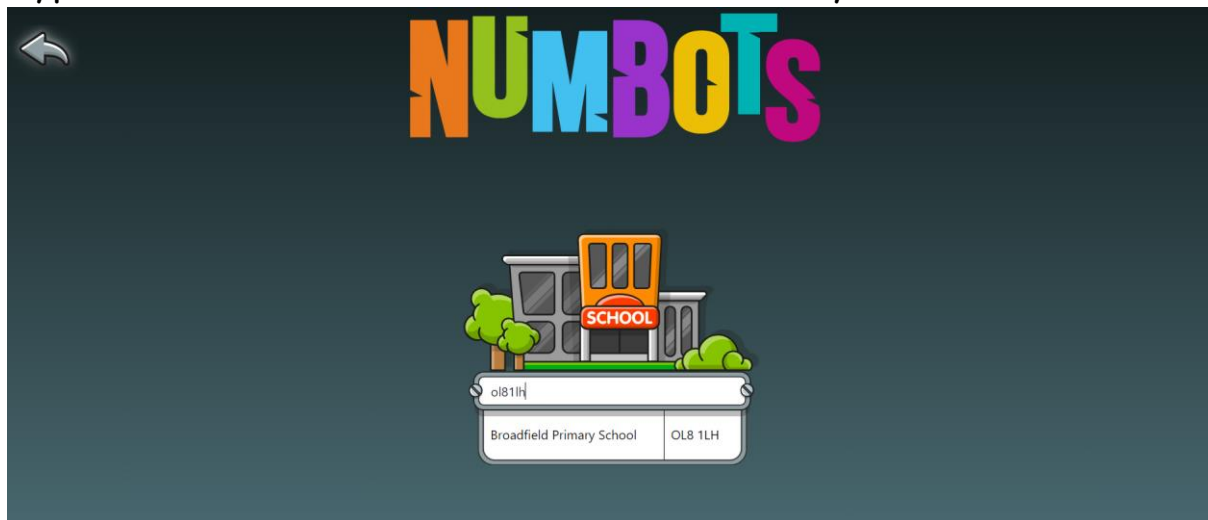

3. Click on 'Schools'

4. Click on 'pupils'

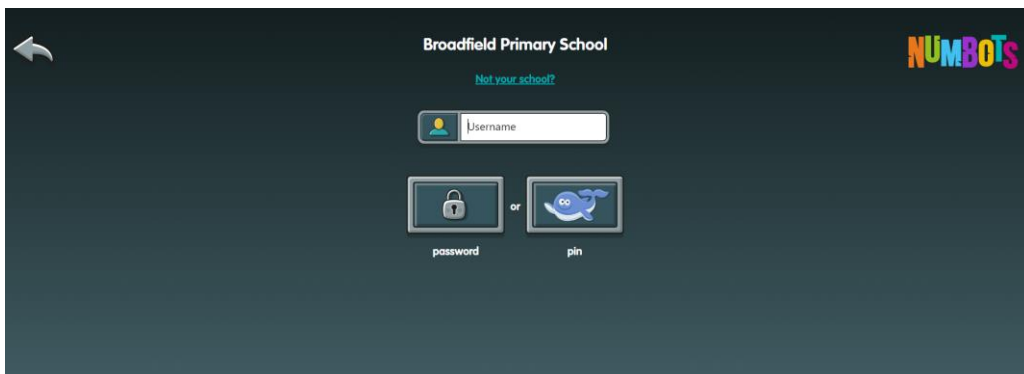

5. Type in 'OL81LH' and click on Broadfield Primary School.

6. Type in your TTROCKSTARS username.

7. Click on 'Password' and type in your password for TTROCKSTARS

8. An arrowhead will appear when you type the password in. Click on it.

9. Click on the green arrowhead

10. Choose you 'Bot' in the Custom shack by clicking on the green arrowhead

11. Choose your Bot's name.

12. Follow the onscreen instructions

13. Click on 'story' to start. Unfortunately, everyone starts at the same place so the questions are mega easy at first... I'm hoping this doesn't put you off...

Let your teacher know what you think of this game that will develop your number skills.

ENJOY!
