

Remote Learning

At the moment, we are really impressed with the standard of work that most children are doing at home. The staff are working hard to ensure we provide a rich and interesting curriculum for your child. You have been given a pack with resources that may be needed. There is a mixture of live sessions, pre filmed lessons and web based learning. Please try to ensure that your child is in a good routine at home with their learning. They should be ready to start their learning at normal school time. Well done to all the children that have been able to attend their registration session (8.45am -9am) every morning. There is an expectation that all children should be completing their learning on a daily basis so that they do not fall behind, this is being monitored by all school staff.

If your child is in Key Stage 2 their learning will be through Google Classroom and Purple Mash. Key Stage 1 children can access their learning via Purple Mash.

Children in the EYFS (Acorns, Nursery and Reception) can access their learning through Tapestry.

If your child does not have access to a tablet or computer, please let us know as soon as possible so that we can lend you a school device.

If you do not have access to the internet at home, please contact the school office and we will provide you with a pack.

Thank you for supporting us in ensuring your child can continue to learn from home.

Learning in the Nursery

Well done to Hashim and Amelia, who have been learning to recognise their numbers at home with the support of their mum. Please keep it up.

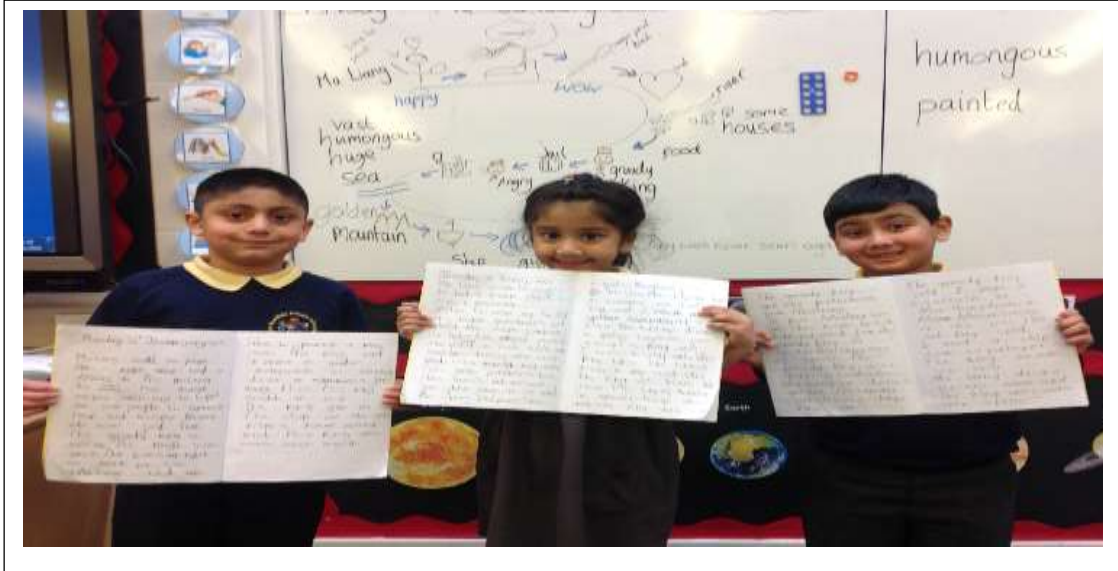

Happy Birthday

Happy birthday to Rehan from Willow class who celebrated his birthday last week. We hope that he had a good time.

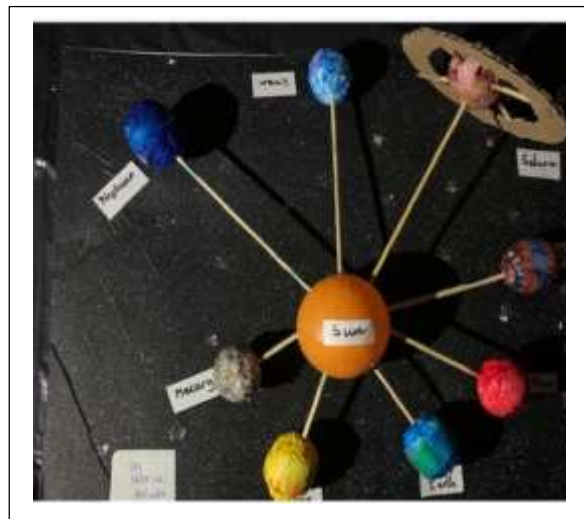

The Magic Paintbrush

Children in Beech class, have been reading the story of the Magic Paintbrush. All children from home and school have re-told the story. Fatima, Eesa, Muhammad and Ibrahim worked so hard to remember capital letters, full stops and handwriting rules. We are super proud of all of them.

The Solar System

We are super impressed with the creativity of some of the children in Willow class. Below are examples of models that two of the children have done at home. Well done Rehan and Noor Ul Houda.

We love writing

This term, the children in Upper Key Stage 2 are studying the Ancient Greeks. Last week, Ayaan from Oak class submitted the following piece of writing:

The Minotaur was a Greek mythical creature who fed on children to satisfy his hunger. The sacrifice of these children to feed The Minotaur, was not accepted by society at the time, and so because of this, Prince Theseus took on the job to defeat and kill him.

The Minotaur was a dark, monstrous beast with thick, ebony fur which stood up in different directions on his skin. He had a hunched posture which was a result of his broad, wide shoulders and chest. Although his posture was hunched, he remained tall and towering in height compared to those around him. He stood in the mist with his bulging muscles popping out of his skin in confidence. The remorseful cannibal had a disgusting, rotten odour that lingered around him, wavering near his bulky shadow. With his demonic eyes, he could penetrate anything that came into his sight. The bloodthirsty being had blood all over his two piercing horns, which dug into his victim's skin, with a lack of remorse. The Minotaur had sprouting fuzzy hair which emerged out of his dwarf looking ears. He was a monster who had revolting uneven claws and teeth like razors which chomped on his prey. The sinister beast had hooves which could catch up to and trample on his victims, when they attempted to escape.

To compliment his hideous appearance, The Minotaur had such poor attitude, manic mannerisms and horrid instincts. He was a creature who lacked regret in all the moves he made. As selfish and greedy as he was, he didn't care about the lives of those around him, and instead aimed to make their lives a living hell. Grunting and bellowing at the numerous people who crossed his path, The Minotaur radiated a stinking attitude that took away from his physical body odour, He was a very evil, cunning beast who intimidated everyone, making them feel small inside. He stuck his nose up at the people who dared to face and challenge him. The Minotaur was someone who thought he was bigger and better than everyone else in all ways.
