Week beg- 11th January 2021

Dear Parents and children,

Happy New Year!!

We hope you've all enjoyed the festive break and are ready for the new year.

As we will be learning from home for a while, I will be putting work regularly onto tapestry.

I will also be ringing you once a week to discuss any concerns you have about your child's learning. So please don't worry about anything because myself and the nursery team are here to support you.

This term we will be looking at some number songs which children love singing along to and it also helps them with their number skills.

Our first song is - Five little monkeys jumping on the bed.

Please click the link and your child can sing along to this song. Children can use their fingers and count out the monkeys. Then each time a monkey falls - ask how many monkeys left.

We will also be thinking about positional language as the monkeys jump on and off the bed. So please talk about other positional language such as - under, next to, in front of, behind, on.

Draw five monkeys. Please encourage your child to draw monkeys jumping on a bed.

As there is a doctor in the song who helps the monkeys, we are also learning about Doctors.

Now draw what is inside a doctors bag - plasters, bandage, medicine, gloves, tape, tweezers, torch, scissor, stethoscope.

Phonics Guess the animal sound. Listen to the animal sounds and guess which animal it is. Click this link-
