

Easter holidays

Today, we finish for the holidays. We do hope that you all have a good Easter break, hopefully we will have the opportunity to spend more time outdoors.

If your child is tested positive during the half-term break, please can you contact school on the out of hour's number: 07776661836

I hope that you all have a restful holiday. School will reopen on Monday 12th April.

After School Clubs

We are pleased to say, that after Easter, we will be offering after school clubs to some classes.

The clubs will be as follows:

- Creative
- Football
- Sports

However, the clubs will only be for certain classes in the first instance. Once the restrictions are lifted we are hoping to open up to more classes.

Please support us by making sure that you remind your children about our Broadfield Values. Children need to make sure their behaviour is excellent, otherwise they may be asked not to attend.

It is very important that parents collect their child on time and follow the COVID rules when picking up your child.

I am sure that you would all agree that we have really missed our extra-curricular activities as it enables our children to learn and acquire new skills. We look forward to more clubs in the very near future.

Learning

As always, British Science week in school was a resounding success. The children thoroughly enjoyed the activities. We were fortunate enough to have very special visitors in school – Peanut and Marmite, Mrs Pearson’s chickens! This promoted questions such as:

- What is the difference between free range and regular eggs?
- Are free range chicken eggs better for you?

Children in KS1 learnt about planets – do you know the names of all the planets?

Well done to all the children who engaged positively with all aspects of Science Week.

Well done to all the children that entered the Science poster competition. The worthy winners were:

- Sawera - Chestnut
- Razia - Woodlands
- Ayaan - Ash
- Mihail– Sycamore
- Maryam & Isra (joint effort) - Sycamore

We love writing

All about Spring

In spring, the birds sing and the plants start to grow. Trees have little buds which are little seeds hanging onto the branches. When spring comes, the buds turn into big, green leaves. But not all plants grow straight away, just like humans, it takes time to grow! The hot, yellow sun appears in spring and baby animals are born. You might see busy bees and busy insects because they hibernate in winter and get busy in spring! In spring it is lovely to play outside. Butterflies can come in spring and land on your nose!

Easter Egg Competition Winners

We had many entries for the Easter Egg competition, it was a very close call. The winning entries were:

EYFS

Hadi - Reception 1

Iris - Acorns

Fatima - Reception 2

KS1

Aniyah - Willow

Seher - Larch

Amna - Beech

LKS2

Maryam - Woodlands

Zainab - Chestnut

Aliza - Maple

UKS2

Justin - Sycamore

Ramiza - Ash

Hasnain - Oak

Unusual entry

Liaqatullah - Willow

Outstanding effort

Hibba - Sycamore

A promotional poster for "Play Streets" by ForHousing. The poster features a large pink splatter graphic with the words "Play Streets" in white. Below it is a yellow banner that says "Happy Easter". The background is light blue with various Easter eggs and flowers. The text at the bottom reads: "Play Streets is back again for a week of free online activities! Together with partners, we'll be hosting fun filled activities and competitions to keep your kids entertained this half term. To join in the activities please access our Community Development Facebook page www.facebook.com/groups/ForHousingCD Monday 29th March - Friday 16th April (Please note: some activities will be repeated as different areas have different school holidays)".
