

Return to School

Once again, our children have returned to school following the Easter break with a positive attitude to their learning. I have been particularly impressed with children who have done some brilliant independent learning in preparation for their Science topic – Blood Heart.

Some children in Lower Key Stage 2 made models of the rainforest and researched some interesting facts. Did you know?

- About 30 million species of plants and animals live in the tropical rainforests.
- Rubber and medicines come from the rainforests.
- Many of the foods we love come from the rainforest; chocolate, pineapple and cinnamon.

We love writing

Well done to Summaiya from Willow, for a wonderful short piece of independent descriptive writing:

One morning, an orange and black cheetah sneaked towards his prey. He roamed across to a lushest green bush. Above him, three flamingos soared to a big white cloud looking for their food.

Ramadan

'On behalf of all the staff at Broadfield, I would like to wish all our Muslim families a joyous, blessed and prosperous Ramadan.

'Ramadan Mubarak'.
