Reception 2022

If your child is due to start Reception in September 2022, it is important that you complete the online application at www.oldham.gov.uk/admissions . You can only apply online - It's quick and easy and means you get the school offer directly via email. Even if you have a child already at the school of your choice you still need to apply now. The online system opened on 1 September 2021.

When do I need to complete my application?

The closing date for all applications is **15 January 2022 at 5pm.**

What happens if I don't complete my application on time?

This means you may not get a place at your preferred school. Your application won't be looked at until after we've allocated places to all those that arrived on time.
