

Broadfield Primary School – Sports Premium

Broadfield Sport Premium Grant Aims

All staff will be aware of Sports Premium funding and its rationale

We will have high expectations for all children in PE

We will adopt a 'solutions focused' approach to overcoming barriers – working within our collaborative of schools

We will use best practice in research and feedback from other schools, to make informed, creative and tailored choices on the most effective way for our pupils to use our Sports Premium Funding

Objectives of Sport Premium Spending

To increase participation in PE and competitive sport

To broaden the sporting opportunities available to all our pupils – ensuring extra- curricular activities offered are varied and inclusive

To increase attendance at after school clubs

To improve the quality of PE provision

To empower our pupils to meet life's challenges

Improving quality of teaching

Create an environment of high aspirations and expectations

Monitor and Evaluate Sports Premium Spending and provide evidence and reports to show how this has had a positive impact on our children

Sports Premium Spending 2019/20

Focus	Breakdown of Funding	Action Plan	Evidence
Research, identify and trial suitable assessment methods for PE lessons	£0	Introduce consistent whole school approach to monitoring children's' progress in PE	Children aware of their PE targets and teachers able to assess PE in the same way as other areas of the curriculum One route has been explored but this was not suitable for mixed age classes. An alternative is currently being reviewed.
Swimming Top up	£0	Improve swimming ability for those children who did	Increased ability and confidence for children. Currently taking small

		not meet the expected standard at the end of Year 4	number of Year 5 children who are still working towards the expected target alongside the current Year 4s.
