## Sports Round Up

### Determination

On the 25th January 2022, four of our year five children had a fantastic opportunity to try rock climbing at the Summit Up Climbing Centre. It's safe to say that we all conquered our fears! We had a fantastic time racing to the top of the walls! Our children really impressed me with how polite they were to all the staff and other children. They were even helping children from other schools (and Mr Healey) clip in and out of the ropes. I couldn't be more proud of the way they represented our school, showing all of our Broadfield values. After the event we all agreed on one thing. We can't wait to go back!

### Dance Competition

On Monday 31<sup>st</sup> January, five of our Year 6 pupils participated in the Year 5 /6 dance competition at the Werneth Cricket Club. The team **WON!** Lawi also won a best performer medal and Hibba won a best effort medal. Miss Daniels was extremely proud of them! Well done to all.
