

Fond farewells

Sadly, we say goodbye to some of our valued staff members.

Firstly, we say goodbye to two of our early years' apprentices who have successfully completed their course and will be moving onto new positions, thank you Miss Khan and Miss Malik

Secondly, at the beginning of September, Mr Chapman our Site Manager, will also be leaving us after nine years at Broadfield. Again we would like to thank him for looking after school building, we wish him every success for the future and we hope that he will be happy in his new house.

Mr Worsley is also leaving us after 17 years at the school. He started in 2005, when he came to cover for a maternity leave. He has successfully secured a position at Oldham Science Centre as a Science Mentor, so we will still see him, when the upper juniors go up to the Science Centre for their science lessons. We wish him well in his new post.

Today, we say goodbye to our Year 6 pupils, the majority of children have been with us since the nursery. They have all worked extremely hard this year and we are proud of their efforts. We do hope that they will remember our Broadfield Values: Belief, Respect, Our Community, Aspirations, Determination, Friendship, Inclusion, Equality, Learning and Diversity.

Broadfield Chess Competition

On Monday June 20th, five children from Broadfield took part in their first Oldham chess competition. The competition was held at Broadfield and attended by over fifty children from eight different primary schools from year two to year 6.

The competition was fiercely contested and jointly won by children from Hulme Preparatory School, St Herbert's and Mills Hills.

Broadfield did really well for their first chess competition and the children can be very proud of their efforts with Sharifa and Hamayl scoring a very respectable 3 / 4 points. Lola and Noah scored 2 /4 points and Noor-UI Houdda scored 1 /4 points. All the children were very well behaved and said they enjoyed their first time chess experience.

Well done to all who took part!

Sports Awards

This year, many of our children have attended a range of after school clubs for sports and many of them have excelled. Sports week was a real success again, this was followed by a brilliant sports assembly and the Hathershaw Cluster Presentation at Oldham Leisure on Tuesday 19th July.

The Tiger Who Came To Tea

Recently, Ibrahim wrote a wonderful description of the tiger from 'The tiger who came for tea.' He was challenged to use similies and he did a brilliant job!

All over his body he has soft fur, as soft as fabric. He is as tall as an enormous tree and the colour of his fur is auburn with inky black stripes covering him from head to toe. He has a friendly smile with whiskers as thin as string. At the end of his pink, meaty coloured nose he has a wart. He has shiny, sharp jaws like a shiny, silver knife and glistening, solid black eyes like coals. He may look friendly but he is a royal, wild beast and he would rip a human up in seconds!
