

Attendance

Our target our attendance this year is 95%, at the moment it is 94.7%. Well done to all the children who have 100% attendance so far and those children who have improved their attendance since September.

If your child is ill, you need to tell us. In case you don't know already, Broadfield Primary uses an efficient and secure system for reporting your child's absence due to illness, called Studybugs. Please get the free Studybugs app, or register on the Studybugs website, and use it to tell us if your child's ill and unable to attend school.

If for any reason, you need to take time off during term time, it is important that you speak to Mrs Jolley our Attendance Lead first and then complete a form. Holidays during term time will be unauthorised.

Hopefully, we can achieve our target by the end of the year – remember, 'Together We Can Achieve!'

After School Clubs

Most after school clubs have already started, they start at the end of school and finish at either 4pm or 4.15pm. Your child will have received a letter with the date and time for their chosen club. Please remember that it is really important that children are picked up on time, if you are running late you must contact the school office to let them know so that the message can be passed onto the member of staff who is leading the club.

We continue to offer a range of after school clubs this term:

Chestnut and Woodlands –Times tables

Year 3 /4 Dodgeball

Animation

Art

Tag Ruby

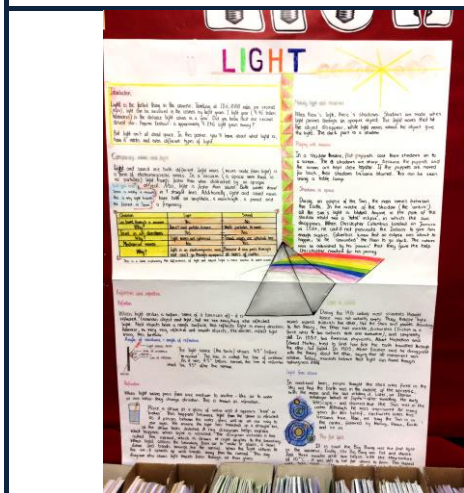

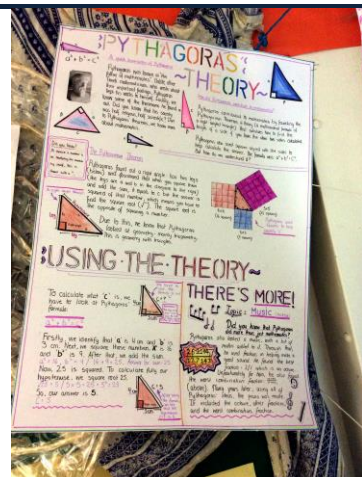

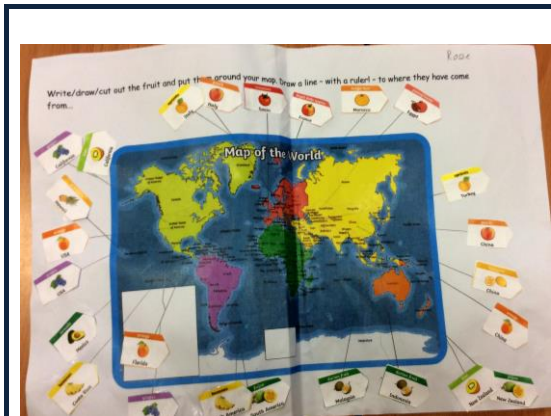

Gymnastics

Netball

Independent Learning

During the Christmas holidays and since returning to school, many of the children have completed some independent learning of a high standard. Following the 2022 World Cup, Humera from Sycamore, researched amazing footballers – Mohammed Salah, Kylian Mbappe, Neymar Lionel Messi and Ronaldo.

Thank you to all the parents who have supported their children. The children are so proud of their work and asked if it could be showcased on the newsletter.

Diversity

This month, children have been awarded certificates for demonstrating 'Diversity.'

Rehan from Chestnut made a book about Diversity in the Classroom.

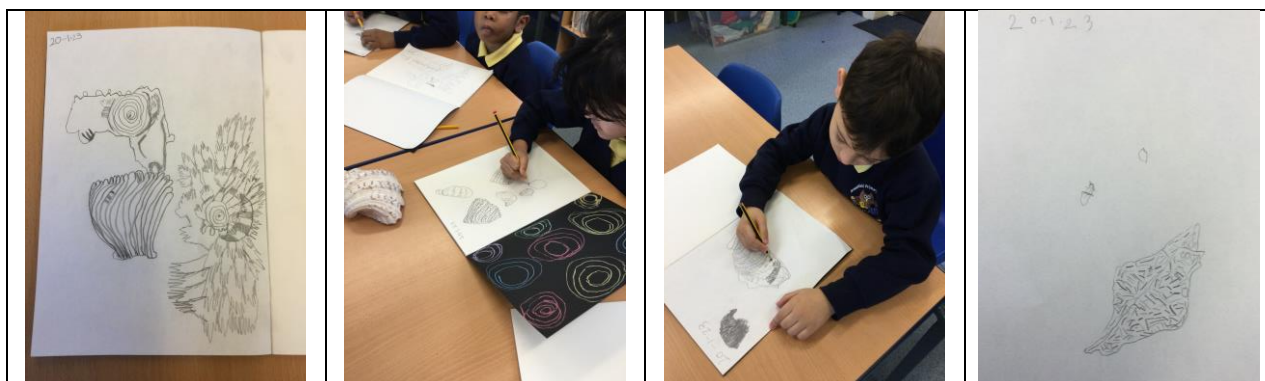

Wouldn't the world be boring if everybody was the same? If they had the same gender, the same body tones, the same identity, nobody would be unique. Diversity means all people, no matter how different they are, are included. It means showing respect to other people even if they are different and it prepares us for the workplace and the community and country that we live in.

What does diversity look like at Broadfield Primary School? Some children are boys and some are girls. Some children go to places of worship, and some do not. We have children with disabilities, we have children who are tall, we have children who are good at handwriting. We are not all the same here, but we are all welcome at Broadfield Primary School.

Budding Artists

We have been using Access Art to plan our lessons, so far, we have been really pleased with the outcomes. Well done to our brilliant artists in Larch class!

Broadfield Primary School

Awards

'Together We Can Achieve'

Pupil of the Week

Reception 1	Zareen
Reception 2	Farzeen
Year 1 Larch	Easa
Y1/2 Beech	Samreen
Y2 Willow	Whole Class
