

Musical Beginnings Extra

When: Every Tuesday during term-time 11am-11.45am
Where: The Lyceum Building
Who: Children 0-4 years old who have additional needs and their parent/carer

The Musical Beginnings Extra classes are free of charge.

Musical Beginnings provides young children with excellent musical opportunities including singing, rhymes, action songs, dancing, stories, musical appreciation and exploring instruments.

Research shows that children's speech, language and communication skills are improved through the use of music. Social skills such as listening, turn-taking and co-operation are all central to the session. The main focus though is a fun, musical experience for the children and adults plus a support network for parents/carers.

The session will be led by a fully qualified music teacher
