Issue # 1

19.9.23

### General Information

Welcome back to the start of our new school year!

Broadfield pupils and staff have had an excellent start and it has been fantastic to see so many children and families happy to be back to school and settling well into their new classes.

Year 6 started the year with a bang on their visit to Robin Wood. They had a fantastic time on the zip line, canoeing, raft building, using the trapeze and the giant swing as well as lots of other fantastic and adventurous activities!
