	I can identify and critically evaluate online content relating to gender, race, religion, disability, culture and other groups, and	I can describe how things shared privately online can have unintended consequences for others. e.g. screen-grabs.	I can explain strategies anyone can use to protect their 'digital personality' and online reputation, including degrees of anonymity.	I can explain how and why some people may present 'opinions' as 'facts'; why the popularity of an opinion or the personalities of those promoting	I can describe common systems that regulate age-related content (e.g. PEGI, BBFC, parental warnings) and	I can describe ways in which some online content targets people to gain money or information illegally; I can describe

	<p>explain why it is important to challenge and reject inappropriate representations online.</p> <p>I can describe issues online that could make anyone feel sad, worried, uncomfortable or frightened. I know and can give examples of how to get help, both on and offline. I can explain the importance of asking until I get the help needed.</p> <p>I can describe simple ways to increase privacy on apps and services that provide privacy settings</p> <p>I know that online services have terms and conditions that govern their use.</p>	<p>I can explain that taking or sharing inappropriate images of someone (e.g. embarrassing images), even if they say it is okay, may have an impact for the sharer and others; and who can help if someone is worried about this.</p> <p>Supplement with: Be Internet Legends "Think before you share"</p>	<p>I can describe how to capture bullying content as evidence (e.g screen-grab, URL, profile) to share with others who can help me.</p> <p>I can explain how someone would report online bullying in different contexts.</p>	<p>it does not necessarily make it true, fair or perhaps even legal.</p> <p>I can define the terms 'influence', 'manipulation' and 'persuasion' and explain how someone might encounter these online (e.g. advertising and 'ad targeting' and targeting for fake news).</p> <p>I can demonstrate how to analyse and evaluate the validity of 'facts' and information and I can explain why using these strategies are important.</p>	<p>describe their purpose.</p> <p>I can assess and action different strategies to limit the impact of technology on health (e.g. night-shift mode, regular breaks, correct posture, sleep, diet and exercise).</p>	<p>strategies to help me identify such content (e.g. scams, phishing). Supplement with Be Internet Legends "Is it Fake?"</p> <p>I can demonstrate the use of search tools to find and access online content which can be reused by others.</p> <p>I can demonstrate how to make references to and acknowledge sources I have used from the internet.</p>
