Spotlight on...UKS2

Sorry for the slight delay with this newsletter....good things come to those who wait and there have been 'good things' in abundance across KS2 this month. We have been so proud of our UKS2 learners this month in terms of behaviour and learning. Here are some of the highlights...

Elizabeth Moran (Principal)

Some of our budding scientists attended an evening with Brian Cox at Mahdlo.

Mrs Jones arranged a visit from STEM ambassadors who worked with our children on coding and robotics.

Ash class were visited by an artist who worked with them on negative and positive space and turning 2d drawings into 3d models.
