

It has been a very busy but wonderful few weeks at Broadfield. Our wonderful Christmas Service took place at St Paul's church where the choir sang like angels and the juniors spoke clearly and confidently retelling the nativity story. Year 5 also amazed us with their fabulous performance in Manchester Cathedral for the annual 'Manchester Sings' concert.

St Paul's 'Stitch and Share' group, which includes some of our wonderful Chai ladies, celebrated 10 years of working together last week. The group meet every Wednesday morning and each share their creative skills whilst learning from each other. It was a delight to join them and view their masterpieces, whilst also recognising the brilliant community cohesion happening in our area.
